DECLARATION OF LORETTA CROSS IN SUPPORT OF DEBTORS' APPLICATION FOR ORDER AUTHORIZING THE EMPLOYMENT AND RETENTION OF GRANT THORNTON LLP AS FINANCIAL ADVISOR

I, Loretta Cross, under penalty of perjury, declare as follows:

- 1. I am Managing Director of the Grant Thornton LLP ("GT"), a company specializing in Audit, Tax and Advisory Services. The matters set forth herein are made of my own personal knowledge and, if called and sworn as a witness, I could and would testify competently thereto.²
- 2. This Declaration is made in support of the above-captioned debtors' (collectively, the "Debtors") Application for Order Authorizing the Employment and Retention of Grant Thornton LLP as Financial Advisor (the "Application") on the terms and conditions as set forth in the Application and the engagement letter between the Debtors and GT attached to this Declaration

The debtors and debtors in possession these chapter 11 cases, along with the last four digits of their respective Employer Identification Numbers, are as follows: Agilon Energy Holdings II LLC (3389) ("Agilon"), Case No. 21-32156; Victoria Port Power LLC (4894) ("VPP"), Case No. 21-32157; and Victoria City Power LLC (4169) ("VCP" and together with Agilon and VPP, the "Debtors"), Case No. 21-32158. The Debtors' mailing address is: 5850 San Felipe, Ste 601, Houston, Texas 77057.

² Certain of the disclosures herein related to matter within the knowledge of other professionals at GT and are based on information provided to me by them.

as **Exhibit 1** (the "*Engagement Agreement*").³ Except as otherwise noted,⁴ I have personal knowledge of the matters set forth herein.

Disinterestedness and Eligibility

- 1. GT is comprised of leading industry professionals with significant experience in the Restructuring and Bankruptcy Advisory services. GT's professionals have experience in facilitating financial and accounting matters and other related aspects of chapter 11 cases and experience in matters of this size and complexity. GT's professionals have acted as financial advisors in many large bankruptcy cases in various districts nationwide. Some in- and out-of-court restructurings and advisory assignments in the power industry in which GT, or the assigned professionals, have been involved include work performed for or related to Allegheny Energy, Brazos Electric Coop, Calpine, Dynegy, El Paso Energy, Electric Cities, Enron, Mirant, Mobile Energy Services, NRG, Pioneer Electric Coop, Power Company of America and Reliant Resources.
- 2. GT represents that GT, its members and employees are not and were not, within two years before the date of the filing of these chapter 11 cases, creditors, equity security holders, insiders or employees of the Debtors.
- 3. In accordance with 11 U.S.C. § 327(a) and Federal Rule of Bankruptcy Procedure 327(a), I caused to be submitted for review by our conflicts system the names of all known potential parties in interest (the "*Potential Parties in Interest*") in these chapter 11 cases. The

³ Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Application.

⁴ Certain of the disclosures herein relate to matters within the personal knowledge of other professionals at A&M and are based on information provided by them.

Potential Parties in Interest is attached hereto as **Schedule 1**. The list of Potential Parties in Interest was provided by the Debtors and included, among other parties, the Debtors, non-Debtor affiliates, current and former directors and officers of the Debtors, significant stockholders, secured creditors, lenders, the Debtors' unsecured creditors, contract counterparties, landlords, vendors, insurers, utilities, governmental authorities and other parties. The results of the conflict check were compiled and reviewed by GT professionals under my supervision. At this time, and as set forth in further detail herein, GT is not aware of any relationship that would present a disqualifying conflict of interest. Should GT discover any new relevant facts or relationships bearing on the matters described herein during the period of its retention, GT will use reasonable efforts to file promptly a supplemental declaration.

- 4. As can be expected with respect to any professional services firm such as GT, GT provides services to many clients with interests in the Debtors' chapter 11 cases. To the best of my knowledge, except as indicated on Schedule 2 (Disclosure Table), GT's services for such clients do not relate to the Debtors' chapter 11 cases. However, in an abundance of caution, I would bring to the court's attention that GT audits the parent company of Pro Energy Services. GT will not be involved in any negotiations, evaluations or provide services to the Debtor to the extent that Pro Energy Services is also involved in those negotiations or transactions.
- 5. To the best of my knowledge and based solely upon information provided to me by the Debtors, and except as provided herein, neither GT, nor any of its professionals, has any materially adverse connection to the Debtors, their creditors or other relevant parties. GT may have relationships with certain of the Debtors' creditors as vendors or in connection with cases in which GT serves or has served in a neutral capacity as financial advisor for another chapter 11 debtor.

- 6. GT has and will continue to represent clients in matters unrelated to these chapter 11 cases. In addition, GT and its personnel have and will continue to have relationships personally or in the ordinary course of its business with certain vendors, professionals, and other parties in interest that may be involved in the Debtors' chapter 11 cases. GT may also provide professional services to entities or persons that may be creditors or parties in interest in these chapter 11 cases, which services do not directly relate to, or have any direct connection with, these chapter 11 cases or the Debtors.
- 7. GT and its personnel in their individual capacities regularly utilize the services of law firms, accounting firms, and financial advisors. Such firms engaged by GT or its personnel may appear in chapter 11 cases representing the Debtor or parties in interest. All engagements where such firms represent GT or its personnel in their individual capacities are unrelated to these chapter 11 cases.
- 8. To the best of my knowledge, no employees of GT is a relative of, or has been connected with the U.S. Trustee in this district or its employees.
- 9. Accordingly, to the best of my knowledge, neither GT nor any of its partners or employees hold or represent any interest materially adverse to the Debtors' estates with respect to any matter upon which GT is to be engaged. Based on the foregoing, I believe that GT is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code.
- 10. If any new material relevant facts or relationships are discovered or arise during the pendency of these chapter 11 cases, GT will promptly file a supplement declaration disclosing such new materials facts or relationships.

Compensation

11. Subject to Court approval and in accordance with the applicable provisions of the

Bankruptcy Code, the Bankruptcy Rules, applicable U.S. Trustee guidelines, and the Bankruptcy

Local Rules, GT will seek from the Debtors payment for compensation on an hourly basis and

reimbursement of actual and necessary expenses incurred by GT. GT's customary hourly rates as

charged in bankruptcy and non-bankruptcy matters of this type by the professionals assigned to

this engagement are outlined in the Application. These hourly rates are adjusted annually.

12. To the best of my knowledge, (a) no commitments have been made or received by

GT with respect to compensation or payment in connection with these cases other than in

accordance with applicable provisions of the Bankruptcy Code and the Bankruptcy Rules, and (b)

GT has no agreement with any other entity to share with such entity any compensation received

by GT in connection with these chapter 11 cases.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true

and correct to the best of my information, knowledge and belief.
